A MESSAGE FROM OUR BOARD CHAIR

Patti Jackson-Gehris **Board Chair**

Together, we are united for our community. The Lycoming County United Way makes an impact every day by fighting for the health, education, and financial stability of every person in OUR communities. Together, our community partners delivered services over 67,000 times to those who needed them most. Together, we had thirty-four programs and outreach partners who serve critical needs in our community. Together, we had countless volunteers dedicate their time to going above and beyond in service to our community. I am humbled each day by the work of the Lycoming County United Way to improve lives in Lycoming, Sullivan, and Tioga counties.

Your United Way marked this past year with a focus on innovating, changing, and expanding our focus to keep pace with the changing needs of our community. PA 211 provides a critical lifeline 24/7, connecting individuals to local resources and services. The Lycoming County United Way is a vital partner in 211, encouraging access in all our communities. If you have not learned about ALICE, it is someone you may know. ALICE stands for Asset Limited, Income Constrained, Employed, and makes up an essential part of our local community. These struggling households make difficult daily choices, and our United Way is there to help them navigate resources and get the support they need.

The dollars invested over the last year have made it possible for our neighbors in need to gain access to quality childcare, housing, emergency food assistance, counseling, oral health services, mentoring, tutoring, shelter, disaster services, summer reading programs, early education, and more. We measure the success of these programs by lives changed, the smiles of those we have helped, and those who helped to make a difference.

Together, we have built a new team that is energetic, enthusiastic, and fully engaged with our partners and community. Together, we have built a strong Board of Directors that will continue to drive the mission and vision of the United Way. Ron Frick, our CEO, leads us through challenging times and stays focused on a solid future that keeps the United Way aligned with the changing needs of the community.

Thank you to our donors, business community, hard-working community partners, staff, and volunteers. Together, we are making a difference.

It is my privilege to be part of this organization and amazing community. I believe in the power of volunteering, community, and giving back.

Let us continue to be Together United!

A MESSAGE FROM OUR PRESIDENT

Ronald A. Frick President/CEO

Since our last annual meeting, we have reassessed our impact and introduced several new campaigns to help our community. Now, in my seventh year, I feel even more honored to lead this great organization.

While the effects of the pandemic are not in the public eye, the more prolonged effects of those few years will impact our community for decades to come. Continued declines in workplace campaigns and the changes in the demographic of those who give have forced United Ways across the country to look for new and varied ways of appealing to communities and donors. We have been creative in leveraging the support of local businesses and community partners to generate revenue from special events like our signature LIVE UNITED in Music, which generated almost \$50,000 in 2023. The effects of inflation and an unstable world and domestic economy have hard-working families struggling to make ends meet. We have started relying more on ALICE data provided through our partnership with United Way of Pennsylvania and United for ALICE. United for ALICE is a national movement to bring attention to those in our community who are Asset-Limited, Income-Constrained, and Employed. This data is helping inform some of our actions and decisions. Still, there is much work to be done.

For over 100 years, the Lycoming County United Way has mobilized the collective resources of communities in three counties to improve and change lives as we continue to fight for the health, education, and financial stability of every person in every community. Numerous challenges exist, but we are more committed than ever to our mission. Many have shared their stories on video, shared their time volunteering with our annual Day of Action or Kidz Carnival, or participated in the difficult decisions around making grants to our partners. We have expanded Project Lifesaver, continued our national partnership with Cummins Sales & Service in distributing bikes, participated in summer reading programs with local churches in outreach and advocacy, and have a renewed sense of community pride in our work. Community partners like New Trail Brewing, Pine Square, Alabaster Coffee Roaster and Tea Co., and the Bullfrog Brewery showcased the power of community and led to increased resources. Our relationships continue to grow, and we are excited about the possibilities ahead.

I remain grateful for an energetic and committed team, a supportive board, and the generosity of our community. Our vision is to make an impact for the greater good; we are motivated by that daily.

Tonight, we celebrate our organization, but more importantly, the communities where we live, work, and play, side by side, making an impact, Together United.

Thank you for celebrating with us.

A handwritten signature in blue ink that reads "Ron". The signature is stylized and cursive.

LEADERSHIP GIVING - TOCQUEVILLE SOCIETY

The United Way Tocqueville Society recognizes local philanthropic leaders and volunteer champions in the United States, France and Romania who have devoted time, talent, and funds to create long-lasting changes by tackling our communities' most serious issues.

Renowned French political philosopher Alexis de Tocqueville admired three elements in North American society: liberty, equality and the spirit of neighbor helping neighbor. These same elements are embraced in the French national motto: "Liberté, Egalité, Fraternité." Tocqueville believed that by achieving these elements of democracy, all people would choose to pursue freedom, knowledge and prosperity, or indépendance, connaissance, and prospérité.

Today over 25,000 Tocqueville members strong, since 1984 over \$9 billion has been contributed by Tocqueville members. Membership in the Society is granted to individuals who contribute at least \$10,000 annually to United Way. National Society Membership is granted to individuals who contribute \$100,000 or more per year to the United Way. Partnership with the United Way's Million Dollar Roundtable is limited to individuals who have contributed \$1,000,000 or more to the United Way mission and impact work.

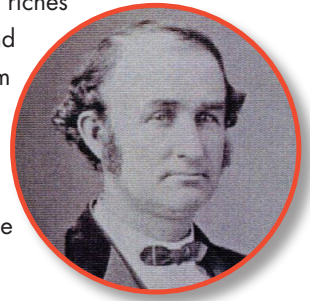

With heartfelt appreciation for our local Tocqueville members:

LEADERSHIP GIVING - PETER HERDIC SOCIETY

Born in Fort Plains, New York, in 1824, the promise of lumber riches brought Peter Herdic to Pennsylvania in 1853. In 1857, he and two other local businessmen purchased the Susquehanna Boom Company. Using his political influence, Herdic then convinced the legislature to raise boom tolls from \$.50 to \$1.25 per thousand feet of logs. In its peak year in 1873, the boom processed nearly 320 million feet of logs, earning considerable profits for Herdic and his partners.

In 1869, Herdic was elected as the third mayor of Williamsport. He owned the gas works and sold land to the railroads to bring them into the city (routing them through other Herdic property to increase its value). He built office buildings, a waterworks, an urban railway, and a bridge over the Susquehanna River. Herdic also owned the local newspaper. But in addition to his business enterprises, he donated homes to the working class, erected churches on donated land, and constructed public buildings and signed them over to the city. Some sources claim his philanthropic activities severely depleted his finances and that he hovered between wealth and ruin on a yearly basis.

DISTINGUISHED VOLUNTEERS

2023 Douglas C. Dickey Humanitarian Award

The Lycoming County United Way has selected Mr. Robert Glunk, Executive Chairman of Journey Bank, to receive the organization's highest honor, the Douglas C. Dickey Humanitarian Award. The award will be presented at the organization's Together United Annual Dinner and Awards Celebration on Thursday evening, April 18, 2024, in the Grand Ballroom at the Holiday Inn Downtown, 100 Pine Street, Williamsport.

The award is presented annually to individuals whose dedication, commitment, and outstanding leadership have significantly contributed to the welfare of Lycoming County. Presented annually since 1947, the award was renamed from the Lycoming United Way Award in 1997 to honor the memory of the late Lycoming County United Way President, Douglas C. Dickey, among those lost in the crash of TWA Flight 800.

Several members of the nominating committee for the award, past recipients themselves, described Rob as a humble and quiet leader who is always available to help others.

"As a past award recipient myself, I know first-hand the magnitude of this award, and I am pleased to welcome my friend and fellow Lycoming College alumnus, Rob Glunk, who has distinguished himself as a leader in this community for decades," reflected Ron Frick, President of the Lycoming County United Way. "In addition to his time as a past campaign chair and the organization's secretary, treasurer, and finance chair, Rob and his colleagues at Journey Bank and its predecessor banks have served our United Way in several ways, including assisting with annual resource development efforts, grantmaking activities, and volunteerism during events and days of action, as well as service as members and officers of our board of directors." We are also honored to have this year's award sponsored by Journey Bank.

Rob's colleague, President and CEO of Journey Bank, Lance Diehl, shared, "It's in Rob's DNA to help people. His desire to solve problems and advance important causes shines through in his professional and personal life. As a community banker, he has devoted his career to helping local individuals, families, and businesses on their financial journeys, and this same commitment extends to the communities and local organizations he's been an integral part of for many years. Working alongside Rob is my honor and privilege, and I congratulate him on this distinguished award."

In addition to his decades-long support of the United Way, Rob became active serving many organizations at a very young age. At the age of 24, Rob was elected as the Mayor of Salladasburg while also traveling to Montgomery actively volunteering in the Montgomery Lions Club. He has also served as President of the Jersey Shore Chamber of Commerce, Jersey Shore Industrial Development Corporation, and the Jersey Shore Lions Club. Rob, as the Jersey Shore Library Fundraising Chair helped raise over \$500,000 in the 1990's to move the Library from the school into a new independent facility. He has served on the Boards of both the Jersey Shore Hospital and is still currently serving on the UPMC Muncy Valley Hospital Board. Rob always found time to coach his children's baseball teams managing for over 13 years. Rob has been a career leader in the banking community serving in various leadership positions in the Pennsylvania Bankers Association. Most recently Rob was Chairman of the Williamsport/Lycoming Chamber of Commerce.
